

AUGMENTED NORM-REFERENCED TEST

GRADE 4

The following is the general guide that will be used to evaluate your answers to open-response questions.

KENTUCKY GENERAL SCORING GUIDE

SCORE POINT 4

- You follow all directions and finish all parts of the question.
- You are able to answer the question clearly so that others can understand.
- You show that you completely understand the information that is asked about.
- You show and/or explain the quickest and best way to get an answer.
- You are able to show and explain what you know by using complex examples, by showing connections between ideas and the real world, by comparing different ideas, and/or by showing how the ideas work together.

SCORE POINT 3

- You follow the directions and finish most of the parts of the question.
- You are able to answer the question clearly so that others can understand.
- You show and/or explain that you understand the big ideas about the question but there may be a few little mistakes or wrong ideas.

SCORE POINT 2

- You follow some of the directions and finish some parts of the question.
- Your answer may not be complete but it is clear so that others can understand.
- You understand only parts of the information to answer the question.

SCORE POINT 1

- You understand only a small part of the information asked for in the question.
- You only answer a small part of the question.

SCORE POINT 0

- Your answer is completely wrong or has nothing to do with the question.

BLANK

- You did not give any answer at all.
